

Looking for speed and simplicity from quote to bind?

Welcome to Convex Digital Underwriting

Overview

The Convex digital underwriting team work alongside our specialty underwriters to create digital products and develop digital distribution partnerships. We build for books of high volume, low complexity business that can be easily codified. We want to make placing business with Convex simple, delivering underwriting and pricing decisions in real-time.

We design bespoke solutions, giving you access to our insurance products in two different ways.

- 1 We can connect our products straight into your digital portal. This allows us to receive real time data and provide real time pricing and portfolio insights.
- 2 We can work with you to design, build and launch a portal tailored to your needs. This will reduce manual processing, speed up quoting and help us grow through real time pricing and portfolio insights.

Whichever approach is best for you, our main objective is to enable you to quote and bind more business in a day.

What can you expect from us?

Portals with end-to-end processing, referrals and API enrichments

Working with a market leading team in insurance specific API's

An agile approach to design, build, test and launch

Full onboarding support

Following one integration, the ability to add new products within appetite quickly

A suite of portfolio management reports to:

- Identify and target growth segments of profitable business and scale quickly
- Increase precision in identifying problem segments
- Stimulate discussions and decisions on pricing and underwriting rules
